

Undergraduate Registration for Fall 2017 to be Unavailable from May 5 - 14

Undergraduate registration activity (adding, swapping, and dropping classes) will be unavailable for the Fall 2017 term from May 5 through May 14 in preparation for orientation enrollment processes. Undergraduates may enroll or make changes to their enrollment for Summer during this time. Only undergraduate enrollment activity for the Fall 2017 term will be unavailable. It will resume at 6:00am on Monday, May 15.

Administrative users in academic departments and deans' offices will also be unable to make changes to undergraduates' Fall 2017 enrollment from May 5 -14.

This does not affect graduate or law students; they may continue to enroll or edit their enrollment for all upcoming terms - Summer and Fall during this time period.

Contact the Registrar's Office at 575-5451 if you have questions about the registration process.
