THE UNIVERSITY MACE AND BATONS

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

MARSHALS' GOWNS

The gowns worn by the marshals are of the traditional University color, cardinal red.

HONOR STOLES

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (cum laude) and white represents High Honors (magna cum laude). White stoles with cardinal and white cords represent Highest Honors (summa cum laude).

THE UNIVERSITY SONG

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, 1906, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

ACADEMIC REGALIA

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture.....	Maize	Fine Arts	Dark Brown	Medicine.....	Green	Public Health.....	Salmon Pink
Architecture.....	Blue Violet	Forestry.....	Russett	Music.....	Pink	Science	Gold
Arts And Letters	White	Human Envi. Sci.....	Maroon	Nursing.....	Apricot	Social Science	Cream

COMMENCEMENT SPEAKER AND HONORARY DEGREE RECIPIENT

Cordia Barton Harrington Doctor of Humane Letters

As early as fifth grade when she turned her backyard into the neighborhood daycare, Cordia Harrington has always been driven to be successful. Having excelled in manufacturing, transportation, the quick service restaurant segment, real estate and construction, her impeccable business acumen has earned her a spot on *Forbes* magazine's list of 100 wealthiest self-made women in 2020.

Harrington was born in Waco, Texas, and grew up in St. Louis, Missouri, with her parents and two siblings. She attended the University of Arkansas, graduating with a bachelor's degree in 1975 from the College of Agriculture – now the Dale Bumpers College of Agricultural, Food and Life Sciences.

She was the first in her family to graduate from college and went on to open her own real estate business with all \$587 of her savings. That business eventually became the award-winning Concept One Realtors and Concept One Construction, based in Russellville, Arkansas.

Harrington's real estate business sold to Coldwell Bankers in 1989, but her career was still in its infancy. That same year, she graduated from McDonald's Hamburger University as a registered applicant and purchased a McDonald's franchise. Proving her ability to lead and motivate, Harrington earned the opportunity to build two additional McDonald's restaurants. To grow her sales, she purchased a Greyhound Bus franchise, bringing 88 busloads of customers each day, which eventually helped her reach the top 40 in sales among all McDonald's franchises in the United States.

That success parlayed into where she is today as the founder and chief executive officer of the The Bakery Cos. The company includes six plants and fourteen product lines serving elite customers in the U.S., Caribbean and South America. The business includes Bakery Express, a trucking firm, and Cold Storage of Nashville, a freezer facility.

Harrington's focus on regulations, sustainability, employee policies and development have led the company to grow organically into a state-of-the-art business, winning numerous awards from both industry publications and customers.

Her passion for innovation, sponsorship of human resources best practices and ability to deliver on innovative strategy have earned respect in an industry based in conventional practices. Her elite customers include McDonald's, O'Charley's, Sara Lee, Whole Foods, Trader Joe's, ConAgra, Pepperidge Farm, Five Guys, and Tyson, among others.

In addition to her recognition in *Forbes*, Harrington was named *Nashville Post's* 2020 CEO of the Year. Harrington was inducted into the American Society of Baking Hall of Fame in February 2018, and *Directors & Boards* magazine named her a "Director to Watch." She received the Most Admired CEO Lifetime Achievement Award from the *Nashville Business Journal* in 2017. In 2016, Harrington was named Johnson Fellow by the University of Arkansas, awarded the Excellence in Entrepreneurship award by Millikin University, and inducted into the YWCA's Academy of Women of Achievement. Harrington was named to the list of the 50 Fastest-Growing Women-Owned Businesses (Women President's Organization) in 2016 and was the EY Entrepreneur of the Year (Southeast Program) in 2015.

Along with her great business savvy, Harrington is also known for her strong faith, business ethics and leadership experience with community, business and civic boards. She served on the Board of Directors of the Federal Reserve Bank of Atlanta's Nashville Branch from 2008-2013 and as 2019-2020 Chair of the Chief Executives Organization Board of Directors. She is President-Elect for the American Bakers Association Board of Directors and is a member of the Belmont University Board of Trustees Executive Committee.

She has also served on the Boards of Directors for Williams Food and Zoes Kitchen (NYSE: ZK), and she joined the Emergent Cold Board of Directors in 2018. She currently serves on the boards of Ascend Logistics, the Factory and Sageworth.

Harrington resides in Franklin, Tennessee, with her husband Tom. They have five children and ten grandchildren.

MESSAGE FROM THE DEAN

Hello, Class of 2020!

As you read these words, I'm sorry we are not gathered together so I can speak with you in person. This is a happy occasion, a great achievement and a time to celebrate, even if it's not marked by the ceremony we wish we were having.

No, it's not the event you or we wanted, but this is still a time to acknowledge and congratulate you on what you have accomplished. We may not be meeting as a class and as our college, but hopefully you can still enjoy this time with parents, family members and others who have supported you on your educational journey.

In addition to completing standard academic requirements, you faced canceled events, altered projects, lack of face-to-face interaction and communication, more screen time than you ever wanted and no chance to say goodbye to friends, professors, classmates and others who shared this experience with you.

Despite those unforeseen circumstances, you have something no other class has – you rose to the challenge and overcame the adversity of a pandemic and a closed campus. I encourage you to look at this experience as professional development and personal growth, and an exam or test no other graduating class had to pass.

All of you adapted, adjusted, showed flexibility and resilience, and completed the course. As you navigate your lives and careers, you will face other unexpected twists and turns, and be forced to respond professionally, graciously, compassionately and productively.

Our graduation ceremony typically features an address from our outstanding alumnus or alumna of the year. Due to the events of the year, you don't get that message, one usually filled with words of wisdom, encouragement, hope, a personal challenge and a charge to go into the world and make a difference.

Instead, you get these words, which hopefully inspire encouragement and hope. You have been educated, prepared and trained by faculty who are experts in their fields. You have made contacts and friendships with people who will support you. You overcame 2020, and no doubt learned something about yourself and the world around us that you otherwise would not have learned.

Accept that and embrace it, go forward and be a difference-maker.

You have completed this phase of your journey. Your name will be on Senior Walk, you will be an alumnus of Bumpers College and the University of Arkansas. You are part of our family forever.

We missed not having you on campus and we are proud of you. We want you to stay in touch with us and be active in our alumni society, and we can't wait to see what you do and accomplish.

I'll close with the words that would be your favorite part of your graduation ceremony – "I ask you to stand, as candidates for the degrees of Bachelor of Science in Agricultural, Food and Life Sciences and Bachelor of Science in Human Environmental Sciences, upon successful completion of all degree requirements, and upon the recommendation of the faculty and by virtue of the authority vested in me by the Board of Trustees, I hereby present each of you to Chancellor Joseph Steinmetz for the conferring of your degrees – congratulations Class of 2020!"

Sincerely,

A handwritten signature in dark ink, appearing to read "Deacue Fields, III".

The background of the entire page is a faded, grayscale photograph of a large, classical-style university building with multiple arched windows and columns. In the foreground, there are some trees and a paved area. A solid black horizontal bar is positioned across the middle of the page, partially obscuring the building and the large 'UA' monogram.

The background of the poster is a faded, grayscale photograph of a large, multi-story brick building with many windows, likely a university hall. A large, leafy tree is on the left side, and a grassy lawn is at the bottom. A solid black horizontal bar is positioned above the lawn.
