View Personal Information

The Parent/Family Authorization option allows a student to authorize access to view certain student information. This authorization provides access to the designee (parent or other third-party) to view Manage Finances, Academic Information, and Personal Information. This document addresses access to Personal Information.

Log in to Parent Center

1. Sign In to Parent Center through the myISIS Login.

2. Click Sign In.

NOTE: You may return to your Parent Center at any time by clicking the Parent Center link located in the navigation bar located at the top of each page.

View Addresses and Phone Numbers

The information found on these pages is considered Directory Information and available to release unless the student directs that the information not be released.

1. Click Addresses.

2. You may view all the active addresses your student has listed on this page.
3. Click **Phone Numbers**.

4. You may view all the active phone numbers your student has listed.

**IMPORTANT:**
It is important to note that the access granted to you through the Parent Center is based on your student’s consent for you to view specific on-line information and is not equivalent to a third-party release of information covered by the Federal Educational Rights and Privacy Act (FERPA).

Your student must complete a **FERPA 3rd Party Release** form that allows the University to discuss items covered by FERPA with you.

Click the **FERPA 3rd Party Release** link on the right and view a short tutorial reviewing FERPA. This guide is intended for students and parents.
