View Student Financial Information in Parent Center

The Parent/Family Authorization option allows a student to authorize access to view certain student information. This authorization provides access to the designee (parent or other third-party) to view Manage Finances, Academic Information, and Directory Information. This document addresses Manage Finances and covers Student Invoice.

Log in to Parent Center

1. Sign In to Parent Center through the myISIS Login.

     - Student Invoice

   You have been authorized by this student to view the information on this page. To authorize the release of further information, the student must give consent by completing the FERPA (Federal Education Rights and Privacy Act) 3rd Party Release form located in the ISIS Student Center. Details can be found at the FERPA 3rd Party Release link to the right.
2. Click the date of the invoice, **Billing Date**, you wish to view.

3. The invoice detail opens and provides a listing of transactions, terms, charges, and credits to your student’s account.
IMPORTANT:

It is important to note that the access granted to you through the Parent Center is based on your student’s consent for you to view specific on-line information and is not equivalent to a third-party release of information covered by the Federal Educational Rights and Privacy Act (FERPA).

Your student must complete a FERPA 3rd Party Release form that allows the University to discuss items covered by FERPA with you.

Click the FERPA 3rd Party Release link on the right and view a short tutorial reviewing FERPA. This guide is intended for students and parents.
