

DIVISION OF ELEMENTARY & SECONDARY EDUCATION

INSTITUTIONS OF HIGHER EDUCATION (IHE)

PROTOCOL FOR THE REVIEW AND APPROVAL OF PROGRAMS OF STUDY LEADING TO EDUCATOR LICENSURE IN ARKANSAS

PROTOCOL FOR THE REVIEW AND APPROVAL OF IHE BASED PROGRAMS OF STUDY LEADING TO EDUCATOR LICENSURE IN ARKANSAS

The Division of Elementary and Secondary Education Rules (DESE) approval is required for any IHE prior to implementing a new program of study that prepares candidates for any professional educator license in Arkansas or revising an existing approved program for licensure. The review process described herein is to ensure that programs fulfill state licensure requirements and align to the standards of the Council for Accreditation of Educator Preparation (CAEP). The DESE is responsible for oversight of the program review and approval process at the state level. (Ark. Code Ann. §6-11-105, §6-17-422, and §6-17-402) The Arkansas Higher Education Coordinating Board (AHECB) must grant approval prior to implementation of any professional education program at Arkansas public universities (Ark. Code Ann. §6-61-208) or at postsecondary institutions certified to operate in Arkansas (Ark. Code Ann. §6-61-301). The DESE [Rules Governing Educator Licensure](#) and the DESE [Rules Governing Educator Support and Development](#) should also be considered to ensure candidates within programs are in compliance prior to licensure application.

Programs will be required to submit a Higher Education Act (HEA) Title II Report, submit data to the DESE, and submit data to Educational Testing Service (ETS). The HEA Title II Report is a national data collection of institutions and states related to teacher preparation and licensure. HEA Title II Reports can be found at <https://title2.ed.gov/Public/Home.aspx>.

HEA Title II Report data is also incorporated into the DESE's Educator Preparation Provider Quality Report (EPPQR). To continuously improve the quality of educator preparation providers (EPP), the DESE works with program directors to produce this report. Information EPPs are required to submit for the EPPQR includes:

- Data submitted to HEA Title II
 - Program requirements
 - Enrollment and completer numbers
 - EPP candidates' and completers' race and gender data
 - Program field experiences/clinical practice information
 - Faculty data
 - Technology information
 - Goals regarding addressing shortage areas
- Data submitted to the DESE
 - Partnership, minority, and shortage area information
 - Description of the provider's program to prepare educators to teach reading using scientific reading instruction
- Data submitted to ETS for Title II Pass Rate reporting:
 - Enrollment and completer data
 - Demographic information
 - Candidates' and completers' licensure information

The EPPQR is published annually on the DESE's website and is used for the following purposes:

- The public may view aggregate provider and program data of EPP completers.
- School districts and charter schools may use the report to make informed decisions about hiring.
- Those interested in a career in education may use the report to make decisions regarding which program to attend.
- Institutions may use data to support continuous improvement efforts.

The EPP will be required to report to the DESE all minority graduates who have been recommended for Arkansas Educator Licensure. The report is shared with school districts to support their recruitment efforts.

If this is a new program operating as a new provider, no data will be reviewed until October of the following year for Educator Preparation Program Reports

NOTE: Institutions of higher education that offer programs leading to educator licensure in Arkansas shall be accredited by a national or regional accrediting agency that is recognized by the United States Department of Education (USDE) or the Council for Higher Education Accreditation (CHEA). Prior to program implementation, public institutions of higher education in Arkansas and any out-of-state institutions of higher education offering programs (including programs with online coursework) to students in Arkansas shall be approved by the AHECB to offer certificate and degree programs leading to educator licensure in Arkansas. Furthermore, the educator preparation provider (EPP) within the IHE must be accredited by CAEP. If the EPP is not yet CAEP accredited, it may submit proposals for individual licensure programs to the DESE while the EPP applies for CAEP accreditation. Before the EPP can accept candidates, it must meet the CAEP eligibility requirements for application, and the licensure program must be DESE approved.

Section I. New Educator Licensure Program

1. An IHE seeking to offer a new program of study to prepare candidates for **first-time educator licensure** in Arkansas submits a letter of intent (LOI) for new programs.
 - a. If the new program leads to the creation of a credential or degree, an Arkansas public university or other IHE certified under Arkansas Code Ann. §6-61-301 submits a LOI for new programs to the ADHE. The ADHE forwards this form to the DESE to serve as documentation of intent to offer the program.
 - b. All other IHEs submit a LOI for new programs directly to the DESE.
 - c. Dates for submission of LOI for new programs:
 - December 1 for a program to be implemented the following fall semester.
 - June 1 for a program to be implemented the following spring semester.
 - October 1 for a program to be implemented the following summer term.
2. New programs for first-time licensure and new endorsement programs submit a Program Proposal for New Programs.
 - a. If the new program leads to the creation of a certificate or degree, an Arkansas public university or other IHE certified under Arkansas Code Ann §6-61-301 submits the Program Proposal for New Programs to the ADHE. The Program Proposal for New Programs will be forwarded to the DESE.
 - b. All other IHEs submit The Program Proposal for New Programs directly to the DESE.
 - c. Dates for submission of the Program Proposal for New Programs:
 - February 1 for a program to be implemented in the following fall semester.
 - July 1 for a program to be implemented in the following spring semester.
 - December 1 for a program to be implemented in the following summer term.
3. The DESE program advisor completes an initial review of the proposal and requests any additional information or clarification that would be helpful during the review.
4. If the proposal is for a new first-time licensure program, the DESE program advisor convenes and facilitates the work of a program proposal review panel for the purpose of reviewing the program of study. A panel may be required for a new endorsement program.
 - a. The panel is comprised of members from Arkansas's public and independent higher education institutions with similar state-approved programs, a content specialist, and/or a K-12 educator in the content or specialty area.
 - b. A representative from the ADHE may serve on the panel as an ex-officio member.
 - c. Panel Procedures:
 - The panel completes an initial review and may request additional information, clarification, or revisions.
 - The DESE program advisor corresponds with the panel and the IHE to ensure

the panel has all the necessary information to make a recommendation for approval or denial.

- The timeline for the review process is dependent on the availability and scheduling of reviewers and the time needed for institutions to respond to the panel comments and/or requests for additional or clarifying information.
5. The DESE program advisor conducts an internal review of the proposal if a panel review is not required.
 6. A decision is made as to the approval or denial of the proposed program.
 - a. If the DESE determines that the proposed program does not meet the necessary standards and requirements and does not approve the proposed program, written notification of the denial is sent to the IHE and ADHE.
 - b. If the DESE determines that the proposed program meets all necessary standards and requirements and grants initial program approval, the IHE, DESE, and ADHE personnel are sent written notification.
 7. The new program may operate with initial approval until the professional education unit's next CAEP review. During the initial approval period, the program is authorized to admit students; implement assessments; collect, aggregate, and utilize data for program improvement; and recommend program completers to the DESE for license.

Note for New Providers: The Department may grant provisional state approval upon review by the DESE until accreditation is achieved when an educator licensure program proposed by an educator preparation provider is identified by CAEP either as accreditation eligible or as a candidate for accreditation. If accreditation is not achieved within five (5) years of being identified by CAEP as accreditation eligible or as a candidate for accreditation, the provider's professional education programs will forfeit the provisional state approval, and no new students may be admitted into the programs but the Department may allow existing candidates to matriculate through the program.

B. Procedure for Approving Program Revisions

1. An IHE seeking to revise an approved program of study for educator licensure submits the Program Proposal for Revised Programs.
 - a. Arkansas public universities or other IHE certified under Arkansas Code Ann §6-61-301 submit proposals that require a change to the degree/certificate program title, CIP code, or number of hours to the ADHE. The proposal is forwarded to the DESE.
 - b. All other proposals are submitted directly to the DESE.
2. The DESE reviews the proposed revisions and the supporting documentation submitted by the IHE. A panel review is usually not required. Additional or clarifying information may be requested.
3. The DESE program advisor will work with the IHE to establish a timeline for revision.
