THE UNIVERSITY MACE AND BATONS
The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

MARSHELS’ GOWNS
The gowns worn by the marshals are of the traditional University color, cardinal red.

HONOR STOLES
White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (cum laude) and white represents High Honors (magna cum laude). White stoles with cardinal and white cords represent Highest Honors (summa cum laude).

THE UNIVERSITY SONG
In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, ’1906, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

ACADEMIC REGALIA
The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture ................. Maize
Architecture .............. Blue Violet
Arts And Letters ........ White
Business And Bus. Admin. .... Drab
Economics .................. Copper
Education ................... Light Blue

THE UNIVERSITY SEAL
The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.
HONORARY DEGREE RECIPIENT

Richard W. Davies
Doctor of Arts and Humane Letters (DAH)

Davies career with the Arkansas Department of Parks and Tourism spanned nearly 43 years. He served as State Parks Director for 14 years and as Executive Director for 25, serving on the cabinet of five Arkansas governors.

As Executive Director Davies was responsible for overseeing all development and operations of the State Parks, grants and technical assistance to communities for parks, the promotion of the state through the Tourism Division, the operation of the State Archives at the History Commission, and the fight against litter with the Keep Arkansas Beautiful Commission.

Davies was instrumental in the passage of Amendment 75 to the Arkansas Constitution in 1996. The “1/8th Cent Conservation Amendment” created protected funding for conservation agencies in the state.

He was honored as State Parks Director of the Year by the National Association of State Parks Directors, and was inducted into the Tourism Hall of Fame, as well as the Halls of Fame of the Arkansas Hospitality Association and the Arkansas Game and Fish Foundation.

The Arkansas Broadcasters Association named him Arkansan of the year in 2004, and in 2008 he was inducted into the Hall of Honor by the Lemke Journalism Alumni Society at the University of Arkansas.

Davies served on the state’s Natural Resource Committee, the Natural and Cultural Resources Council, the Capitol Arts and Grounds Commission, the Arkansas Civil War Sesquicentennial Commission and the Ozark Folk Cultural Commission.

In 1998 he received a Presidential appointment as Vice-Chair of the National Recreation Lakes Study Commission, which was established to make recommendations to the President and Congress on the future of federal reservoirs.

Davies also served 27 years in the U.S. Army Reserve, and retired as a Lieutenant Colonel in 1999. He and his wife Betsy, also a U of A graduate, have two daughters and two granddaughters.

Emily Bertrand earned her Bachelor of Science in Nursing in 2008 from the University of Arkansas. She has worked for the past seven years as a registered nurse in Northern Virginia, where she actively dedicates her personal time and professional activities to serving vulnerable populations, both locally and abroad.

Ms. Bertrand developed a prenatal education program for Arlington County free clinics with large immigrant populations. Incorporating her passion for Spanish and the Latin culture with her passion for nursing and helping others, Bertrand’s initiative included crafting an innovative educational program for Spanish-speaking pregnant women, leading prenatal education seminars in Spanish, and providing community resources for the participants. As a result of Ms. Bertrand’s dedication and commitment to service, immigrant women have become empowered to take better care of themselves and successfully navigate essential health services during and after a pregnancy.

Ms. Bertrand’s involvement with the Virginia Hospital Center’s Medical Brigade affords the opportunity to travel with a medical team to remote areas of Central America and deliver critical surgical procedures. She is responsible for providing direct patient care in Honduras, as well as year round fundraising and donations management. In addition to her professional activities and service work, Ms. Bertrand is committed to positively shaping the next generation of professional nurses through her academic endeavors at Marymount University, where she currently teaches undergraduate nursing. This May, Ms. Bertrand will complete her Master of Science in Nursing degree in the family nurse practitioner program at Marymount University.

In his eighth full year as Vice Chancellor and Director of Athletics, Jeff Long has helped transform the University of Arkansas’ Department of Intercollegiate Athletics into one of the most successful and nationally respected programs in the country.

In Mr. Long’s tenure, Arkansas has captured two national championships, 27 conference championships and advanced to 115 post-season competitions. Although still in progress, the 2015-16 academic year has been another banner year for Razorback Athletics. Arkansas has captured SEC titles in both men’s and women’s cross country and indoor track and field and the Razorback football team defeated Kansas State in the AutoZone Liberty Bowl, giving the program back-to-back bowl wins in consecutive years for the first time ever.

Razorback student-athletes also set new marks in the classroom, setting a program-record GPA of 3.25 in the fall 2015 semester. Arkansas led all league schools in representatives in conference sports on the 2015 SEC Fall Academic Honor Roll, including 40 football student-athletes.

In 2015, Mr. Long, the SportsBusiness Journal and SportsBusiness Daily Athletic Director of the Year, led the program, encompassing 19 sports and more than 460 student-athletes, to the most successful year in the history of the University of Arkansas intercollegiate athletics.

Arkansas earned its second national title of Mr. Long’s tenure at the 2015 NCAA Women’s Indoor Track and Field Championships. Also, for the first time since 2001, Arkansas played in a football bowl game while earning bids to both the NCAA men’s and women’s basketball tournaments. The Razorbacks defeated Texas in the AdvoCare V100 Texas bowl and won their initial games in both the NCAA men’s and women’s basketball tournaments.

Topping off what was arguably the best year in Razorback athletics history, the baseball team made a trip to Omaha, Nebraska, to compete in the NCAA College World Series. The accomplishments of the Razorbacks during the 2014-15 year helped Arkansas achieve its highest Learfield Director’s Cup finish in program history (16th).

In the classroom, the Razorbacks posted then-school record student-athlete grade point averages of 3.24 in the spring of 2015 and as a cumulative GPA for 2014-15. Graduation success rates continue to rise with a total of 200 current or former Razorback student-athletes graduating in the past two academic years, marking an annual increase of nearly 70 percent from just seven years ago.

Student-athlete development also has been a priority, including the establishment of the Razorback Leadership Academy, the first of its kind in the SEC. In the community, Razorback student-athletes are more active than ever, volunteering more than 6,500 hours of time for various agencies, organizations and schools across the state.

Under Mr. Long’s leadership, the program has fortified its financial standing, ensuring more support for the development of student-athletes. Arkansas is one of less than a dozen financially self-sustaining Division I-A athletic programs in the nation.

With an eye toward the future, Mr. Long commissioned a comprehensive plan to assess the future facility needs of the program. Unveiled on October 2011, the Razorback Athletic Facilities Master Plan provided a vision and road map for $320 million of facility renovations and additions that will help all 19 Razorback sports remain competitive in the SEC and nationally through the next 30 years.

One of the most influential leaders within intercollegiate athletics, Mr. Long brought national recognition to the University of Arkansas when he served as the inaugural chairman of the College Football Playoff Selection committee for both the 2014 and 2015 seasons. He will continue to serve as a member of the selection committee through the 2017 season.

Prior to coming to Arkansas, Mr. Long held athletics administration, coaching or staff positions at nine FBS institutions in seven FBS conferences.

A former two-sport athlete at Ohio Wesleyan, Mr. Long earned seven varsity letters for the Bishops in football and baseball before completing his degree in economics in 1982.

An Ohio native from Kettering, Mr. Long is married to the former Fanny Gellrich of Ann Arbor, Michigan. The Longs have two daughters, Stephanie and Christina. Stephanie is a junior at the University of Arkansas.

Fayetteville Jazz Collective

The Fayetteville Jazz Collective was founded in May, 2009, as a professional jazz orchestra comprised of musicians active in the Northwest Arkansas area. The FJC is an 18-piece group that seeks to preserve and enhance the big band tradition through education of young audiences, aspiring musicians, and the general public. It has performed the works of Duke Ellington, Billy Strayhorn, Thad Jones, Gil Evans, Oliver Nelson, Sammy Nestico, Frank Foster, Tito Puente, Gordon Goodwin, and many others. The FJC also provides an outlet for local composers and arrangers, such as James Greeson, Ben Harris, and Rick Salonen, the band’s baritone saxophonist and “composer in residence.” The FJC hopes to continue to enrich the cultural life of the greater Northwest Arkansas community through performances and outreach. Contact information is available on their website at www.fayettevillejazzcollective.org

Hunt Integrated Capacity Solutions (ICS) and Truck, and is an Executive Vice President of the parent company. After graduating in 1994 from the University of Arkansas at Fayetteville with a marketing degree, she began her career at J. B. Hunt. Her career has included positions across various business segments including: Director of Pricing for Truck and Intermodal, Vice President of Economic Analysis, Senior Vice President of Finance and Administration, and, in 2007, President of ICS. In 2009, the Northwest Arkansas Business Journal honored Simpson as one of forty business leaders under 40 years old who bear watching. In 2011, she assumed the sales and marketing executive responsibilities and was appointed as the company's Chief Marketing Officer. In 2014, she also assumed the position of President of J.B. Hunt's truck division.

Simpson lives in Rogers with her husband of 18 years, David, and their three children. She enjoys her family time and active participation in her faith as a member of Cross Church at Pinnacle Hills and as a board member of WorkMatters. Simpson is also a board member of Mercy, a member of the Walton College Dean's Executive Advisory Board, and devoted to causes related to promoting women in the workplace. In 2016, she was named A Distinguished Woman in Logistics by the Women in Trucking organization.
