Commencement

SA

SPRING 2022
FAYETTEVILLE, ARKANSAS

ALMA MATER

Pure as the dawn on the brow of thy beauty
Watches thy soul from the mountains of God
Over the Fates of thy children departed
Far from the land where their footsteps have trod.
Beacon of Hope in the ways dreary lighted;
Pride of our hearts that are loyal and true;
From those who adore unto one who adores us—
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward
Proud of our place in the vanguard of Truth,
Will sing unto thee a new song of thanksgiving—
Honor to God and the Springtime of Youth.
Shout for the victory or tear for the vanquished;
Sunshine or tempest thy heart is e'er true;
Pride of the hills and the white-laden Lowlands—
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,
Even the Battle in Cities afar;
Still in the depth will thy Spirit eternal
Beckon us on like a piloting Star.
Down the dim years do thy dead children call thee,
Wafted to sleep while the Springtime was new;
We, of the Present, thy Hope of the Future—
Mother of Mothers, we pray unto you.

UNIVERSITY TRADITIONS AND ACADEMIC REGALIA

THE UNIVERSITY MACE AND BATONS

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

MARSHALS' GOWNS

The gowns worn by the marshals are of the traditional University color, cardinal red.

HONOR STOLES

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (cum laude) and white represents High Honors (magna cum laude). White stoles with cardinal and white cords represent Highest Honors (summa cum laude).

THE UNIVERSITY SONG

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, 1906, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

ACADEMIC REGALIA

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Fine Arts	Dark Brown	Medicine	Green	Public Health	Salmon Pink
Architecture	Blue Violet	Forestry	Russett	Music	Pink	Science	Gold
Arts And Letters	White	Human Envi. Sci.	Maroon	Nursing	Apricot	Social Science	Cream
Business And Bus. Admin.	Drab	Humanities	Crimson	Pharmacy	Solid Green	Social Work	Citron
Economics	Copper	Journalism	Crimson	Philosophy	Royal Blue	Speech	Silvery Gray
Education	Light Blue	Law	Purple	Physical Education	Sage Green	Theology	Scarlet
Engineering	Orange	Library Science	Lemon Yellow	Public Admin.	Peacock Blue	Veterinary Science	Gray

COMMENCEMENT SPEAKER

Janie Simms Hipp
LL.M. '96

Janie Simms Hipp is the General Counsel for the U.S. Department of Agriculture. She was nominated by President Joe Biden and approved by the U.S. Senate on a voice vote Aug. 1, 2021. She serves as the USDA's chief legal officer and oversees an office with more than 200 attorneys in Washington and across the country.

Hipp's domestic and international career spans more than 35 years in the agriculture sector as an agriculture and food lawyer and policy expert. Her work focuses on the complex intersection of Indian law and agriculture and food law.

A citizen of the Chickasaw Nation, Hipp was the founding director of the Indigenous Food and Agriculture Initiative at the University of Arkansas and served in numerous capacities at USDA in the past. She left her position as CEO of the Native American Agriculture Fund to rejoin the USDA as general counsel.

Hipp has served as national program leader for Farm Financial Management, Trade Adjustment Assistance, Risk Management Education and the Beginning Farmer and Rancher Development programs at the USDA National Institute for Food and Agriculture. She also served as a division director within the USDA Risk Management Agency, and thereafter, served as senior adviser for tribal relations to Secretary Tom Vilsack.

Physical Therapist and NBA Athletic Trainer

Alumna Jessica Cohen made history this year as the NBA's first female Head Athletic Trainer. She is in her third season with the Portland Trail Blazers. She was named the team's Head Athletic Trainer in January 2022. She originally joined the organization as the team's Assistant Athletic Trainer/Physical Therapist in 2019. Cohen arrived in Portland after seven seasons in the WNBA where she spent two years as the Atlanta Dream's Head Athletic Trainer and Physical Therapist following five seasons with the Chicago Sky. During her time in the WNBA, Cohen also worked with the New England Black Wolves of the National Lacrosse League and toured with celebrity performers. Credentialed as both a Certified Athletic Trainer and Licensed Physical Therapist, Cohen is also certified as a Performance Specialist from EXOS and holds her CSCS. In 2021, she became board certified in Sports Physical Therapy (SCS) by the American Board of Physical Therapy Specialties. Cohen graduated from Vanderbilt University in 2010 with a B.S. in Health Policy and Human Organizational Development where she was also a member of the women's swim team. In 2013, Cohen earned her Master's of Athletic Training at the University of Arkansas and later her Doctorate of Physical Therapy from Northwestern University in 2016.

COMMENCEMENT SPEAKER

Grady Harvell
President and COO
W&W|AFCO Steel

Arkansas native Grady Harvell received a Bachelor of Science in civil engineering from the University of Arkansas in 1971. He joined AFCO Steel in 1972 and rose through the ranks, becoming a project engineer in 1974 and general sales manager in 1980, responsible for estimating, design engineering, contracting and subcontracting for AFCO Steel's structural and bridge sales. He was named executive vice president of sales in 1992 and president and COO in 2002. In 2015, with a merger, he became president and COO of W&W|AFCO Steel.

W&W|AFCO Steel is the combination of two successful steel fabrication companies. W&W Steel, headquartered in Oklahoma City, has plants in Oklahoma City and Lubbock, Texas, and was founded in 1945. AFCO Steel, headquartered in Little Rock, has plants in Little Rock and Van Buren, Arkansas, and Greeley, Colorado, and was founded in 1909. As independent companies, both were responsible for the structural steel in many significant projects such as International Terminal at DFW Airport and the Dallas Cowboys Stadium, the Stan Musial Veterans Memorial Bridge in St. Louis and the 9/11 Memorial in New York City.

In 2018, under the leadership of Harvell and the company's chairman and CEO, W&W|AFCO purchased Hirschfeld Steel of San Angelo, Texas, and became the largest structural steel fabrication and erection company in North America with over 2,000 employees. W&W|AFCO has 17 plants in 11 cities and seven states with offices in an additional five states.

Harvell is a member of and has held leadership positions in numerous professional engineering organizations including the American Society of Civil Engineers, National Society of Professional Engineers, Arkansas Academy of Civil Engineers, Arkansas Council of Engineering & Related Societies, Arkansas Engineering Foundation and the Arkansas Society of Professional Engineers.

He was a member of the U of A Engineering Advisory Council 2004-2018 and served as chairman 2014 – 2016. He received a Distinguished Alumni Award from U of A College of Engineering in 2005, and the Grady E. Harvell Civil Engineering Research and Education Center was named in his honor in 2021.

Harvell was born in Lunenburg, Arkansas, one of eight children. He went to high school in Melbourne, Arkansas, and then attended Arkansas Tech before transferring to the U of A.
