

Update an Academic Plan

After you have created an Academic Plan, you can make updates or edits by following the steps outlined below.

1. Hover over **Student** on the left side Menu.
2. Click on **Academic Hub**.

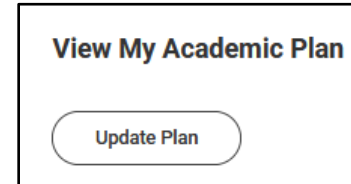

3. Click on the dropdown arrow for **Planning and Registration**.
4. Select **My Academic Plan** from the list.

Dropdown Arrow

5. Click **Update Plan**

6. Your existing Academic Plan will display.
7. You can make several changes:
 - a. Add Academic Periods
 - b. Add new requirements and courses to a period
 - c. Remove requirements and courses from a period
 - d. Move academic requirements from one period to another by dragging and dropping

Important Note:

Academic Periods run from Fall to Summer.

*Example: If you want to add Summer 2027 to your academic plan, you will need to add it to the **2026-2027** Academic Year.*

8. Once you are satisfied with your changes, click **OK** to save your changes.

Update an Academic Plan

Annotations:

- Click the minus icon to remove a row from your academic plan. This will remove the requirement and the course.
- Click here to add a summer term to your academic plan.
- The **Status** can give you valuable enrollment information.
- This student enrolled in EDST 41103 for Fall 2026, and should remove the class from their Spring 2027 plan.
- Students will not be able to self-enroll into any class with a status of "Not Eligible" - Contact the department for assistance enrolling.
- This icon denotes a component that can be moved via drag and drop.
- Click the plus icon to add a row. You can add courses to your academic plan without attaching it to an academic requirement. Make sure you reach out to your advisor or college advising office if you need assistance. [Advising Information](#)
